Admissions Committee

XYZ Neuropsychology Institute

456 Institute Lane

Othertown, USA 67890

Dear Members of the Admissions Committee,

I am writing to express my interest in the internship position at XYZ Neuropsychology Institute as advertised on your website. As a dedicated psychology major at [Your University], concentrating in neuropsychology, I am eager to apply my academic knowledge and gain practical experience in a professional setting.

Through my coursework, I have developed a strong foundation in cognitive processes and neuroanatomy, and I am particularly fascinated by the impact of neurological disorders on behavior and cognition. I am eager to further my understanding by working alongside your team of esteemed professionals and contributing to ongoing research projects.

My previous experience volunteering at [Relevant Experience/Position] has equipped me with essential skills in patient interaction and data analysis, making me a well-rounded candidate for this internship. Additionally, I am proficient in [Software/Tools relevant to neuropsychology], which I believe will be a valuable asset to your team.

I am excited about the opportunity to bring my passion for neuropsychology to XYZ Neuropsychology Institute and to learn from leaders in the field. Thank you for considering my application. I look forward to the possibility of discussing my candidacy further.

Sincerely,

John Doe
