Dear [Recipient Name],

I am writing to express my interest in the internship position in school counseling at [School Name] as advertised on [where you found the internship]. I am currently a psychology major at [Your University] and am eager to apply my academic knowledge and skills in a practical setting that supports students' academic and emotional development.

Throughout my coursework, I have developed a solid foundation in psychological principles, particularly in developmental and educational psychology. My volunteer experience at [Previous Experience], where I worked directly with students, has further reinforced my passion for guiding young individuals through their challenges and helping them realize their potential.

I am particularly impressed by [specific program or initiative] at [School Name] and would be excited to contribute to such impactful work. I would greatly appreciate the opportunity to further discuss how my education and experiences align with the needs of your school. Thank you for considering my application. I look forward to the possibility of contributing to [School Name] as an intern.

Sincerely,
