Dear [Recipient's Name],

I am writing to express my interest in the undergraduate internship position in Computer Engineering at [Company's Name] as advertised on [where you found the internship]. I am currently a student at [Your University] pursuing a degree in Computer Engineering, and I believe that my academic background and skills make me a suitable candidate for this position.

Throughout my studies, I have developed a robust understanding of programming languages such as C++, Java, and Python, as well as experience with software development and hardware integration. My coursework in data structures, algorithms, and embedded systems, combined with my passion for technology, has equipped me with the analytical skills necessary to contribute effectively to your team.

I am particularly drawn to [Company's Name] because of [reason specific to the company or its projects]. I am eager to bring my skills in [specific skills] and my enthusiasm for engineering to [Company's Name], and I am excited about the opportunity to learn from your experienced team.

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. I am available for an interview at your convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]
