**Dear [Employer's Name],**

I am writing to express my interest in the Computer Engineering Internship position at [Company's Name] as advertised on [where you found the listing]. I am currently pursuing a degree in Computer Engineering at [Your University], and I believe that my skills and passion for technology make me a strong candidate for this position.

During my studies, I have gained hands-on experience with programming languages such as [List relevant programming languages], and I have developed several projects that demonstrate my ability to design and implement effective solutions. Additionally, I have completed coursework in [Relevant coursework], which has equipped me with a solid foundation in [Relevant skills or topics].

I am particularly drawn to this internship opportunity at [Company's Name] because of [reason specific to the company or its projects]. I am eager to learn from your esteemed team and contribute to ongoing projects while developing my skills further.

Enclosed is my resume, which provides additional details about my education and experience. I would certainly appreciate the opportunity to discuss my application in more detail during an interview. Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,

[Your Name]
