Dear [Recipient's Name],

I am writing to express my interest in the summer internship position in biochemistry at [Company/Organization Name] as advertised [where you found the internship listing]. I am currently a [Your Year, e.g., sophomore] studying Biochemistry at [Your University], and I am eager to apply my knowledge and skills in a practical setting.

Throughout my academic career, I have developed a strong foundation in biochemistry, organic chemistry, and molecular biology. I have also gained hands-on experience through [mention any relevant laboratory experience or research projects]. I am particularly drawn to [specific area of interest related to the internship], and I believe that this internship will provide me with the opportunity to further enhance my skills and contribute to your team's objectives.

I am excited about the possibility of working at [Company/Organization Name] because of [mention something specific about the company or the research they conduct that interests you]. I am confident that my background and enthusiasm for biochemistry would make me a valuable asset to your team.

Thank you for considering my application. I look forward to the opportunity to discuss my application further. I am available for an interview at your convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]
