Dear [Recipient's Name],

I am writing to express my interest in the internship position at [Company Name] as advertised on [where you found the internship posting]. As a dedicated and passionate student pursuing a degree in Biochemistry at [Your University], I am eager to gain hands-on experience and contribute to your team's innovative research in biochemistry.

During my academic career, I have developed a strong foundation in biochemical principles through coursework and laboratory experiences. I am particularly skilled in [mention any relevant skills or techniques], and I am excited about the possibility of applying my knowledge in a practical environment at [Company Name].

I am enthusiastic about the research projects your team is undertaking, particularly [mention any specific projects or areas of interest], and I believe that my background and passion for biochemistry would make me a valuable addition to your team.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further. I am available for an interview at your convenience and can be reached at [Your Phone Number] or [Your Email].

Sincerely,

[Your Name]
