Dear [Recipient's Name],

I am writing to express my interest in the research internship opportunity in the Biochemistry department at [University/Organization Name] as advertised on [where you found the opportunity]. I am currently pursuing a [Your Degree] in Biochemistry at [Your University], and I am eager to contribute to your team while gaining valuable research experience.

My academic background has equipped me with a strong foundation in molecular biology, enzymology, and metabolic pathways. I have also gained practical experience through [mention any relevant coursework, labs, or previous internships]. I am particularly interested in [specific area of interest related to the internship] and am excited about the possibility of working alongside renowned researchers in this field.

I am a highly motivated individual with excellent analytical and problem-solving skills. I am committed to contributing positively to your research projects and collaborating effectively with fellow team members. I am confident that this internship will not only enhance my skills but also allow me to contribute meaningfully to your ongoing research endeavors.

Thank you for considering my application. I am looking forward to the opportunity to discuss my suitability for this role further. I can be reached at [Your Phone Number] or via email at [Your Email].

Sincerely,  
[Your Name]
