Dear [Recipient Name],

I am writing to express my interest in the Geophysical Research Assistant Internship position at [Company/Organization Name] as advertised [where you found the internship listing]. With my background in geophysics and hands-on experience in data analysis, I am excited about the opportunity to contribute to your team.

I am currently pursuing a degree in Geophysics at [Your University] and have gained extensive knowledge in geological surveying, data interpretation, and field research methods. During my recent internship at [Previous Internship Company], I assisted in conducting seismic surveys and analyzing data, which further developed my analytical skills and attention to detail.

I am particularly drawn to this internship because of [specific reason related to the company or project]. I am eager to bring my expertise and enthusiasm to your team and contribute to ongoing projects while enhancing my knowledge in the field.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and interests align with the goals of [Company/Organization Name]. Please find my resume attached for more details on my academic and professional background.

Sincerely,

[Your Name]
