Dear [Recipient's Name],

I am writing to express my interest in the research internship position in geophysics at [Organization/Institution Name], as advertised [mention source]. I am currently a [Your Year, e.g., junior] studying [Your Major, e.g., Geophysics] at [Your University], and I am eager to apply my academic knowledge and skills in a practical research environment.

My coursework has provided me with a strong foundation in geophysical principles and techniques, including [mention relevant courses or skills]. I have also gained practical experience through [mention any relevant projects, labs, or previous internships], which has further solidified my interest in pursuing a career in this field.

I am particularly drawn to [Mention specific research or projects by the organization], and I believe that my enthusiasm for geophysics, coupled with my skills in [mention relevant skills], would enable me to contribute effectively to your team. I am eager to learn from your esteemed researchers and to be involved in hands-on projects that align with my academic aspirations.

Thank you for considering my application. I am looking forward to the opportunity to discuss my candidacy further. Please find my resume attached for more details on my background and qualifications.

Sincerely,

[Your Name]
