Dear [Recipient Name],

I am writing to express my interest in the Product Management Internship position at [Company Name] as advertised on [where you found the internship]. With a solid foundation in [Your Major/Field] and a passion for product development, I believe I would be a valuable addition to your team.

During my time at [University/College Name], I had the opportunity to work on several group projects where teamwork was essential. In one project, we developed a mobile application aimed at enhancing user engagement. Collaborating with colleagues from various disciplines helped me understand the importance of diverse perspectives and collective problem-solving. I took the initiative to facilitate our discussions, ensuring everyone's ideas were heard, which ultimately led to a product we were all proud of.

As I honed my skills in gathering user feedback and conducting market research, I became keenly aware of how effective teamwork can drive product success. I am excited about the chance to contribute to [Company Name], where I can further develop my teamwork skills while learning from industry professionals.

Thank you for considering my application. I look forward to the opportunity to further discuss how I can contribute to your team during the internship.

Sincerely,

[Your Name]
