Dear [Recipient's Name],

I am writing to express my interest in the Mechanical Engineering Internship position in the Renewable Energy department at [Company's Name], as advertised on [where you found the internship listing]. As a mechanical engineering student with a deep passion for sustainable energy solutions, I am eager to contribute my knowledge and skills to your esteemed team.

Currently, I am pursuing my degree in Mechanical Engineering at [Your University], where I have developed a strong foundation in thermodynamics, fluid mechanics, and energy systems. My recent project on [briefly describe a relevant project or coursework] allowed me to gain hands-on experience in [specific skills or technologies relevant to the internship], which I believe will be beneficial to [Company's Name].

I admire [Company's Name] for [mention any known project, values, or initiatives by the company related to renewable energy] and I am excited about the opportunity to work alongside professionals who are dedicated to advancing renewable technologies.

Enclosed is my resume for your review. I appreciate your consideration of my application and look forward to the possibility of discussing my candidacy further. Thank you for your time.

Sincerely,  
Your Name
