Dear [Employer's Name],

I am writing to express my interest in the Renewable Energy Consulting Internship position at [Company's Name] as advertised on [where you found the listing]. As an enthusiastic student majoring in Environmental Science at [Your University], I am eager to apply my knowledge and skills in renewable energy solutions to contribute to your team.

My academic background, combined with my passion for sustainable development, has equipped me with a strong foundation in energy systems and environmental policy. During my studies, I completed coursework in renewable energy technologies, environmental impact assessment, and project management, which I believe align well with the goals of [Company's Name].

I am particularly impressed by [specific project or value of the company], and I am excited about the opportunity to assist your team in [specific contribution you hope to make]. I am a proactive learner and a collaborative team player, committed to providing innovative solutions in the face of environmental challenges.

I would appreciate the opportunity to discuss my application further and learn more about the exciting work being done at [Company's Name]. Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,

[Your Name]
