Hiring Manager  
Wind Energy Solutions Inc.  
456 Industry Road  
City, State, ZIP Code

Dear Hiring Manager,

I am writing to express my interest in the Wind Energy Internship position listed on your company's website. As a student pursuing a Bachelor's degree in Renewable Energy Engineering, I am eager to apply my academic knowledge and gain practical experience in the wind energy sector.

During my studies, I have gained a solid foundation in energy systems, environmental science, and sustainability practices. I have also completed a project on wind turbine design, which provided me with hands-on experience using software tools such as AutoCAD and MATLAB. I am particularly drawn to Wind Energy Solutions Inc. due to your commitment to innovation and sustainability in energy production.

I am confident that my passion for renewable energy, combined with my education and willingness to learn, will make me a valuable addition to your team. I look forward to the opportunity to contribute to your projects and enhance my skills in a professional environment.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my qualifications align with the needs of your company. Please find my resume attached for further details on my background.

Sincerely,  
John Doe
