Dear Hiring Manager,

I am writing to express my interest in the Summer Economics Internship position at ABC Financial Group as advertised on your careers page. As a junior majoring in Economics at XYZ University, I am eager to apply my academic knowledge and passion for finance in a real-world setting.

Throughout my coursework, I have developed a solid understanding of economic theories, statistical analysis, and data interpretation. I have also taken part in various projects that required extensive research and collaboration, allowing me to hone my analytical skills.

I am particularly drawn to the opportunity at ABC Financial Group due to your commitment to innovative financial solutions and your focus on sustainability. I believe that my proactive approach and enthusiasm for economics align well with your company's values.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your team as an intern this summer.

Sincerely,  
John Doe
