Dear Hiring Manager,

I am writing to express my interest in the undergraduate economics internship position at ABC Economic Consultancy as advertised on your website. I am currently a junior majoring in Economics at XYZ University, and I am eager to apply my academic knowledge in a practical setting.

Throughout my studies, I have developed strong analytical and quantitative skills, particularly in areas such as econometrics and data analysis. I have also completed coursework in microeconomics and macroeconomics, which has afforded me a solid understanding of economic principles and theories.

In my previous internship at DEF Corporation, I assisted with market research and data analysis projects, where I honed my ability to interpret economic data and present findings effectively. I am excited about the opportunity to contribute to ABC Economic Consultancy, where I can further develop my skills while providing valuable support to your team.

I am particularly drawn to your firm's commitment to providing data-driven insights that help shape economic policy. I am eager to learn from your experienced team and contribute to ongoing projects.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the success of your team at ABC Economic Consultancy.

Sincerely,  
John Doe
