Dear [Recipient's Name],

I am writing to express my interest in the Aerospace Research Assistant internship at [Company/University Name] as advertised [where you found the job posting]. As a [Your Major] student at [Your University] with a strong passion for aerospace engineering and research, I am eager to contribute to your innovative projects and gain hands-on experience in the field.

During my academic career, I have developed a solid understanding of [mention relevant coursework or skills], and I have worked on [briefly describe any relevant projects or experiences]. I am particularly drawn to [mention any specific research or projects the company/university is known for] and am excited about the opportunity to work alongside esteemed researchers in the industry.

I am proficient in [list relevant software or tools], and I believe my hands-on experience with [mention any relevant tools, labs, or projects] equips me well for this position. I am a quick learner, a dedicated team player, and possess strong problem-solving skills that will enable me to make meaningful contributions to your team.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm for aerospace research align with the goals of [Company/University Name]. I have attached my resume for your review and am available for an interview at your earliest convenience.

Sincerely,

[Your Name]
