Dear [Recipient's Name],

I am writing to apply for the Data Engineering Internship position at [Company's Name] as advertised on [where you found the job listing]. I am currently a [Your Year, e.g., sophomore] majoring in [Your Major] at [Your University], and I have a keen interest in data engineering and analytics.

During my time at [Your University], I have developed a solid foundation in data structures, algorithms, and database management. I have also gained practical experience through my coursework and personal projects, including [mention any relevant projects or tools, e.g., SQL, Python, and ETL processes]. I am particularly drawn to [Company's Name] because [mention any specific reason related to the company or its projects].

I am eager to contribute my skills and learn from the talented team at [Company's Name]. I believe this internship would be an invaluable opportunity to further develop my technical abilities and apply theoretical knowledge in a real-world setting.

Thank you for considering my application. I look forward to the opportunity to discuss my application further.

Sincerely,

[Your Name]
