Dear [Recipient Name],

I am writing to express my interest in the Database Architecture Internship position at [Company Name] as advertised on [where you found the internship listing]. I am currently a [Your Year, e.g., sophomore] studying [Your Major, e.g., Computer Science] at [Your University]. My coursework and projects have provided me with a strong foundation in database management systems and data modeling, which I am eager to further develop in a professional setting.

I have gained practical experience through [mention any relevant experience, e.g., projects, part-time jobs, or previous internships], where I [briefly describe your responsibilities or achievements]. I am particularly drawn to [Company Name] because of [mention any specific reason related to the company or its projects]. I am excited about the opportunity to contribute to your team and learn from industry professionals.

Thank you for considering my application. I am looking forward to the opportunity to discuss my qualifications further. I am available for an interview at your earliest convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]
