Dear [Recipient's Name],

I am writing to express my interest in the Database Development Internship position at [Company's Name] as advertised [where you found the job listing]. I am currently pursuing a degree in [Your Major] at [Your University] and I am eager to apply my skills in database management and development in a practical, real-world setting.

Throughout my academic career, I have gained substantial knowledge in database design, SQL programming, and data analysis. I have completed several projects that have refined my abilities to create and manage databases effectively. I am particularly drawn to this internship at [Company's Name] because of [specific reason related to the company or its projects].

I am excited about the opportunity to contribute to your team and to learn from experienced professionals. I am confident that my background in [specific skills/technologies] and my commitment to excellence will make me a valuable asset to [Company's Name].

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. Please find my resume attached for your review.

Sincerely,

[Your Name]
