Dear Hiring Manager,

I am writing to express my interest in the Database Security Internship position at Company Name, as advertised on your careers page. I am currently pursuing a Bachelor's degree in Computer Science at University Name, with a focus on Cybersecurity and Database Management.

Through my coursework and projects, I have gained a solid foundation in database security principles, including encryption, access control, and vulnerability assessment. I am particularly fascinated by the challenges of securing sensitive data and ensuring compliance with industry regulations.

I am eager to apply my theoretical knowledge in a practical environment and believe that an internship at Company Name would provide me with an invaluable opportunity to learn from experienced professionals and contribute to your esteemed team.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team at Company Name. I have attached my resume for your review.

Sincerely,

Jane Doe
