Hiring Manager

XYZ Company

456 Business Rd.

Business City, ST 67890

Dear Hiring Manager,

I am writing to express my interest in the Data Science Internship position at XYZ Company, as advertised on your careers page. I am currently pursuing a Bachelor's degree in Data Science at ABC University and have developed a strong foundation in statistical analysis, machine learning, and analytical thinking through my coursework and projects.

During my academic journey, I have completed projects that involved data cleaning, exploratory data analysis, and predictive modeling using Python and R. I am particularly drawn to the innovative work that XYZ Company is doing in the field of data analytics, and I am eager to contribute my skills and enthusiasm to your team.

I am a motivated and dedicated individual with a passion for leveraging data to solve real-world problems. I am confident that my background and skills align well with the requirements of this internship, and I am excited about the opportunity to learn from and collaborate with professionals at XYZ Company.

Thank you for considering my application. I look forward to the possibility of discussing my suitability for the internship in more detail. Please find my resume attached for your review.

Sincerely,

John Doe
