Dear [Employer's Name],

I am writing to express my interest in the SQL Database Administrator internship position at [Company's Name] as advertised on [where you found the job posting]. With my background in computer science and my passion for database management, I am eager to contribute to your team and further develop my skills in SQL and database administration.

Currently, I am pursuing my degree in [Your Degree] at [Your University], where I have gained substantial knowledge in database systems, SQL programming, and data analysis. My coursework has equipped me with the theoretical foundations necessary for this role, and I have also completed projects that required me to design and manage databases effectively.

I am particularly drawn to this internship at [Company's Name] because of [specific reason related to the company or its projects]. I admire [something about the company, e.g., its commitment to innovative solutions] and believe that my dedication to learning and my technical skill set would make me a valuable addition to your team.

I am enthusiastic about the opportunity to work at [Company's Name] and would welcome the chance to further discuss how I can contribute to your projects. I have attached my resume for your review and hope to hear from you soon to arrange a meeting. Thank you for considering my application.

Sincerely,

[Your Name]
