Dear [Recipient's Name],

I am writing to express my interest in applying for an industrial internship position in chemical engineering at [Company's Name]. I am currently a [Your Year, e.g., Junior] student at [Your University] pursuing a degree in Chemical Engineering.

During my academic career, I have acquired extensive knowledge in various areas of chemical engineering, including thermodynamics, reaction engineering, and process design. I am eager to apply this knowledge in a practical, real-world environment and am particularly drawn to [Specific Projects or Values of the Company].

Enclosed is my resume, which provides further details about my academic background and relevant skills. I am excited about the opportunity to contribute to your team and learn from the experienced professionals at [Company's Name].

Thank you for considering my application. I look forward to the opportunity to discuss my application in further detail.

Sincerely,

[Your Name]
