Dear [Recipient Name],

I am writing to express my interest in the Chemical Engineering Internship position at [Company Name] as advertised on [where you found the internship listing]. I am currently a [Your Year, e.g., junior/senior] pursuing my degree in Chemical Engineering at [Your University]. Through my academic journey and hands-on projects, I have developed a strong foundation in chemical processes, thermodynamics, and reaction engineering.

During my previous internship at [Previous Company/Institution], I contributed to [briefly describe what you did], where I learned [what you learned or skills acquired]. This experience has not only solidified my knowledge but also heightened my interest in [specific area relevant to the company's work].

I am particularly drawn to [Company Name] because of [specific reason related to the company's projects, goals, or values]. I am eager to apply my skills in [specific skills relevant to the internship] and learn from the esteemed team at [Company]. I am a dedicated, motivated, and proactive learner, and I believe that this internship will provide me with invaluable experience in the field of chemical engineering.

Thank you for considering my application. I look forward to the opportunity to discuss my application further and am available for an interview at your earliest convenience. Please feel free to contact me at [Your Phone Number] or [Your Email].

Sincerely,

[Your Name]
