Dear Hiring Manager,

I am writing to express my interest in the chemical engineering internship position at [Company Name] as advertised on [where you found the listing]. I am currently a [Your Year, e.g., sophomore, junior] pursuing a Bachelor's degree in Chemical Engineering at [Your University], and I am eager to apply my academic knowledge and skills in a practical environment.

During my studies, I have gained a solid foundation in core chemical engineering principles, including thermodynamics, fluid dynamics, and reaction engineering. My coursework has enabled me to develop strong analytical and problem-solving abilities, which I believe are essential for success in this internship. Additionally, I have completed a project on [briefly describe relevant project or experience], which further honed my skills in [related skills or tools].

I am particularly drawn to [Company Name] because of [mention specific reasons related to the company or its projects], and I am excited about the opportunity to contribute to your team while learning from seasoned professionals. My strong work ethic, attention to detail, and passion for chemical engineering make me an ideal candidate for this position.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm can contribute to the exciting projects at [Company Name]. Please find my resume attached for your review. I hope to hear from you soon.

Sincerely,
Your Name
