Dear [Recipient's Name],

I am writing to express my interest in the internship position at [Company's Name] as advertised on [where you found the job listing]. I am currently a [Your Year, e.g., third-year] Chemical Engineering student at [Your University], and I am eager to expand my knowledge and gain practical experience in the chemical engineering field.

Throughout my studies, I have developed a solid foundation in chemical processes, thermodynamics, and material science. I have also completed coursework in [relevant courses], which I believe aligns well with the projects at [Company's Name]. I am particularly drawn to your company because of [specific reason related to the company/program], and I am excited about the opportunity to contribute to your team while learning from industry professionals.

I am a proactive and dedicated individual with strong analytical and problem-solving skills. I enjoy collaborating with others and am always eager to take on new challenges. I would be thrilled to bring my background in chemical engineering to [Company's Name] and work on projects that [mention any specific project or value the company has].

Thank you for considering my application. I have attached my resume for your review and would welcome the opportunity to further discuss how I can contribute to your team. I look forward to the possibility of working with [Company's Name] this summer.

Warm regards,

[Your Name]
