Dear [Recipient's Name],

I am writing to express my interest in the actuarial internship position at [Company's Name] as advertised on [where you found the listing]. I am currently a [Your Year, e.g., junior] student pursuing a degree in Actuarial Science at [Your University], and I am eager to apply my knowledge and skills in a practical setting.

During my coursework, I have successfully completed several relevant subjects, including:

- Probability and Statistical Inference
- Financial Mathematics
- Actuarial Models
- Risk Management

In addition to my studies, I have worked on projects that furthered my understanding of actuarial principles. Notably, I completed a project on [Project Name], where I [briefly describe what you did and learned]. This experience honed my analytical skills and equipped me with practical knowledge that I am excited to bring to your team.

I am particularly drawn to [Company's Name] because of [specific reason related to the company or its projects]. I believe my dedication and enthusiasm for the actuarial field will allow me to contribute effectively to your team and help further your company's goals.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy in more detail.

Sincerely,

[Your Name]
