Dear [Recipient Name],

I am writing to express my interest in the biomedical engineering internship position at [Company/Institution Name] as advertised on [Where You Found the Internship]. I am currently a [Your Year, e.g., third-year] student pursuing a degree in Biomedical Engineering at [Your University] and am eager to apply my knowledge and skills in a practical setting.

Through my coursework and projects, I have gained a solid foundation in areas such as [List Relevant Courses or Skills, e.g., biomaterials, medical imaging, biomechanics]. Additionally, my experience with [Any Relevant Experience, e.g., lab work, volunteer projects, or related activities] has equipped me with the hands-on skills required to contribute effectively to your team.

I am particularly drawn to [Company/Institution Name] because of [Specific Reason Related to the Company, e.g., innovative projects, company values]. I am confident that this internship would provide me with a valuable opportunity to learn from industry leaders and further develop my skills in biomedical engineering.

Thank you for considering my application. I am looking forward to the opportunity to discuss how I can contribute to your team and learn from this experience. I have attached my resume for your review. Please feel free to contact me at [Your Phone Number] or [Your Email Address] to schedule a convenient time for an interview.

Sincerely,

[Your Name]
