Dear [Recipient Name],

I am writing to express my interest in the international internship program in Biomedical Engineering at [Company/Organization Name] as advertised on [Where You Found the Position]. I am currently a [Your Year, e.g., third-year] student pursuing a degree in Biomedical Engineering at [Your University]. I am eager to apply my skills and knowledge in a practical setting while contributing to your esteemed organization.

Throughout my academic career, I have gained a solid foundation in areas such as biomaterials, medical imaging, and biomechanics. My project on [Briefly Describe a Relevant Project] allowed me to [Mention Skills/Knowledge Gained]. I am particularly drawn to [Company/Organization Name] because of [Specific Reason Related to the Company/Organization] and believe this internship would provide me the opportunity to further develop my understanding of the field.

I am proficient in [List Relevant Skills or Software, e.g., MATLAB, SolidWorks], and I possess strong problem-solving skills, as well as the ability to work collaboratively in a team environment. I am dedicated to learning and am excited about the opportunity to contribute to innovative projects at [Company/Organization Name].

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team and learn from your esteemed organization. I have attached my resume for your review.

Sincerely,
[Your Name]
