Dear [Employer's Name],

I am writing to express my interest in the internship position at [Company's Name] as advertised on [where you found the internship]. As a recent graduate with a degree in Biomedical Engineering from [University Name], I am eager to apply my skills and knowledge in a practical setting.

Throughout my academic journey, I have developed a strong foundation in [mention relevant skills or coursework, e.g., medical device design, biomaterials, etc.]. My project on [briefly describe a relevant project or experience] has further fueled my passion for the field and honed my problem-solving abilities.

I am particularly drawn to [Company's Name] because of [mention something specific about the company or its projects]. I believe that my background in [mention specific relevant skills or knowledge] makes me a suitable candidate for this role.

I am enthusiastic about the opportunity to contribute to your team and learn from the experienced professionals at [Company's Name]. I am looking forward to the possibility of discussing my application with you further.

Thank you for considering my application. I hope to bring my dedication and passion for biomedical engineering to [Company's Name]. I look forward to your positive response.

Sincerely,

[Your Name]
