Dear [Recipient Name],

I am writing to express my interest in the Biomedical Engineering Internship position at [Company/Organization Name], as advertised on [Source]. I am currently a [Your Year, e.g., third-year] undergraduate student pursuing a Bachelor's degree in Biomedical Engineering at [Your University].

Through my academic coursework and hands-on projects, I have developed a solid foundation in biomedical principles and applications. I am particularly skilled in [mention specific skills or tools relevant to the internship, e.g., CAD software, medical imaging, etc.]. Moreover, I had the opportunity to work on [mention any relevant project or experience] which further enhanced my problem-solving and analytical skills.

I am particularly drawn to [Company/Organization Name] because of [mention why you are interested in the company or specific projects they are involved in]. I am eager to contribute my skills and learn from your esteemed team.

I have attached my resume for your reference. I would appreciate the opportunity to discuss how my background and enthusiasms align with the goals of your team. I am looking forward to the possibility of contributing to the innovative work at [Company/Organization Name].

Thank you for considering my application. I hope to hear from you soon.

Sincerely,

[Your Name]
