Dear [Employer's Name],

I am writing to express my interest in the remote internship position in Biomedical Engineering at [Company's Name] as advertised on [where you found the internship]. I am currently a [Your Year, e.g., sophomore, junior] studying Biomedical Engineering at [Your University], and I believe my skills and passion for this field make me a great fit for your team.

Throughout my academic journey, I have developed a strong foundation in [mention relevant skills or subjects, e.g., biomechanics, medical device design]. My coursework has provided me with valuable insights into the engineering principles applied in the medical field, and I am eager to apply my theoretical knowledge in a practical setting.

I am particularly drawn to [Company's Name] because of [mention something specific about the company or its projects that interests you]. I admire your commitment to [mention a relevant company value or mission], and I am excited about the possibility of contributing to such innovative work.

Enclosed is my resume, which provides additional details about my academic achievements and experiences. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm can contribute to your team. Thank you for considering my application. I hope to hear from you soon.

Best regards,

[Your Name]
