Dear [Recipient's Name],

I am writing to express my interest in the research internship position in the Biomedical Engineering department at [Company/Institution Name]. As a [Your Year, e.g., third-year] student pursuing a degree in Biomedical Engineering at [Your University], I am eager to apply my skills and knowledge in a practical research setting.

Throughout my studies, I have developed a strong foundation in [mention relevant subjects or skills, e.g., biomaterials, medical imaging, etc.]. My recent project on [briefly describe a relevant project or experience] not only honed my technical skills but also reinforced my passion for innovation in healthcare technology.

I am particularly drawn to [Company/Institution Name] because of [mention specific reasons related to the company's work, projects, or values]. I am enthusiastic about the opportunity to contribute to your ongoing projects while gaining invaluable hands-on experience.

Enclosed with this letter is my resume, which provides further details about my academic background and relevant experiences. I would welcome the opportunity to discuss how my skills and interests align with the goals of your team.

Thank you for considering my application. I look forward to the possibility of contributing to your research efforts and am eager to learn from your esteemed team.

Sincerely,

[Your Name]
