Dear Hiring Manager,

I am writing to express my interest in the Health Tech internship position at your company as advertised on your website. As a passionate health technology student at XYZ University, I have developed a strong foundation in both healthcare principles and technological applications that I believe will be a valuable asset to your team.

Throughout my academic career, I have gained experience in data analysis, software development, and user experience design, specifically tailored to health applications. I am eager to apply this knowledge to real-world challenges and contribute to your innovative projects.

I am particularly drawn to your company's commitment to improving patient outcomes through cutting-edge technology. I am excited about the opportunity to learn from industry leaders and collaborate with a talented team to enhance health solutions.

Thank you for considering my application. I look forward to the possibility of discussing my candidacy further and am happy to provide any additional information needed.

Sincerely,
John Doe
