Dear [Hiring Manager's Name],

I am writing to express my interest in the Data Analysis and Visualization Internship role listed on [where you found the job posting]. With a strong foundation in data analytics and a passion for uncovering insights through data visualization, I am excited about the opportunity to contribute to your team at [Company's Name].

I am currently pursuing a [Your Degree] in [Your Major] at [Your University], where I have developed a solid understanding of statistical analysis, data mining, and visualization tools such as Tableau and Power BI. My recent project, [briefly describe a relevant project], allowed me to apply these skills in a practical setting, where I successfully [mention any achievements].

I am particularly drawn to this internship at [Company's Name] because of [mention any specific reason related to the company or its projects]. I am eager to bring my analytical skills and attention to detail to help your team make data-driven decisions.

Thank you for considering my application. I am looking forward to the opportunity to discuss how I can contribute to your team and gain valuable experience in the field of data analysis and visualization. Please find my resume attached for your review.

Sincerely,

[Your Name]
