Dear Hiring Manager,

I am writing to express my interest in the Architectural Design Internship position at Architect Firm Name, as advertised on your website. I am currently a third-year Architecture student at Anytown University, and I am eager to gain hands-on experience in the architectural field.

My coursework has provided me with a solid understanding of design principles, and I have developed strong skills in software such as AutoCAD and SketchUp. I am particularly drawn to your firm's commitment to sustainable design and innovative approaches to architecture.

I would welcome the opportunity to contribute to your team while furthering my skills and knowledge in architectural design. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your projects.

Sincerely,
Jane Doe
