Dear [Hiring Manager's Name],

I am writing to express my interest in the Software Testing Internship Program at [Company Name] as advertised on [where you found the job listing]. I am currently pursuing a [Your Degree] in [Your Major] at [Your University], and I am excited about the opportunity to apply my skills and knowledge in a real-world environment.

Through my coursework and practical projects, I have developed a solid foundation in software testing methodologies, including functional testing, regression testing, and automated testing. I am proficient in tools such as [mention any relevant tools, e.g., Selenium, JIRA] and have actively participated in group projects that emphasize collaboration and problem-solving.

I am particularly impressed by [specific project or value of the company], and I believe that my proactive approach and strong analytical skills would make me a valuable addition to your team. I am eager to learn from experienced professionals and contribute my enthusiasm and dedication to [Company Name].

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. Please find my resume attached for your review.

Sincerely,
Your Name
