[Recipient's Name]

[Company's Name]

[Company's Address]

Dear [Recipient's Name],

I am writing to express my interest in the Software Testing Internship position at [Company's Name] as advertised on [where you found the position]. I am currently a [Your Year, e.g., junior] at [Your University] pursuing a degree in [Your Major]. My coursework and projects in software development and testing have equipped me with the knowledge and skills necessary to contribute effectively to your team.

Through my academic projects, I have gained hands-on experience with various testing methodologies, including unit testing, integration testing, and user acceptance testing. My proficiency in tools such as [list relevant tools or software] has further prepared me for this opportunity.

I am particularly impressed with [specific project or value of the company] and am excited about the possibility of contributing to such innovative work. I am a detail-oriented individual with strong analytical skills, and I believe that my enthusiasm for quality assurance in software development aligns perfectly with the goals of [Company's Name].

I would appreciate the opportunity to discuss my application further and learn more about the exciting work at [Company's Name]. Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,

John Doe
