Dear [Hiring Manager's Name],

I am writing to express my interest in the Software Testing Internship position at [Company Name] as advertised on [where you found the listing]. I am currently a [Your Degree] student at [Your University], and I am eager to apply my knowledge and skills in a practical environment.

During my coursework, I have gained a solid understanding of software testing methodologies, including functional and non-functional testing. My recent project involved testing a web application, where I developed test cases, executed various testing techniques, and provided detailed reports on the findings. This experience has equipped me with the skills necessary to contribute effectively to your team.

I am particularly drawn to this internship at [Company Name] because of your commitment to innovation and quality in software development. I admire [specific project or value of the company], and I am excited about the opportunity to learn and grow in such a dynamic environment.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasms align with the needs of your team. I am available for an interview at your convenience and can be reached at [Your Phone Number] or [Your Email Address].

Sincerely,

[Your Name]
