Subject: Internship Proposal for Software Testing

Dear [Recipient's Name],

I am writing to propose an internship opportunity in Software Testing at [Company Name]. I am currently pursuing a [Your Degree] in [Your Major] from [Your University]. My coursework and projects have provided me with a solid foundation in software development and testing methodologies.

I am particularly interested in software testing as I believe it is crucial for delivering high-quality software products. I possess knowledge of testing tools such as [List of Testing Tools] and have experience with [Relevant Coursework or Projects].

During my internship, I aim to contribute to your team by assisting in developing test cases, executing tests, and documenting results, all while gaining valuable industry experience.

I am eager to bring my passion for software testing to [Company Name] and would appreciate the opportunity to discuss how I can contribute to your projects. I look forward to your positive response.

Thank you for considering my proposal.

Sincerely,
[Your Name]
