Dear [Recipient Name],

I am writing to express my interest in the Software Testing Internship position at [Company Name], as advertised [where you found the listing]. With my background in computer science and a strong passion for software quality assurance, I am excited about the opportunity to contribute to your team.

During my studies at [Your University], I have developed a solid foundation in software development methodologies and testing techniques. My coursework included [specific relevant courses], where I gained hands-on experience in [specific skills or tools related to testing, e.g., automated testing, bug tracking systems].

I am particularly impressed by [specific project or value of the company], and I believe my skills in [mention specific skills] would align well with the goals of your team. I am eager to learn and grow in a fast-paced environment while contributing to the success of [Company Name].

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and enthusiasm align with the vision of [Company Name]. I hope to hear from you soon.

Sincerely,
[Your Name]
