Dear [Hiring Manager's Name],

I am writing to express my interest in the Marine Engineering internship position at [Company Name], as advertised on [where you found the internship]. With a strong academic background in marine engineering and a passion for environmental sustainability, I seek to contribute to your team while furthering my knowledge and skills in this vital field.

During my studies at [Your University], I have focused on marine renewable energy and sustainable practices in marine systems. I have completed coursework on [relevant subjects], which has equipped me with a robust understanding of the environmental challenges facing marine ecosystems. I am particularly drawn to [Company Name] because of your commitment to sustainable marine solutions, exemplified by [specific project or initiative of the company].

I am eager to apply my theoretical knowledge in a practical setting and am confident that my dedication to promoting environmental sustainability aligns with the values of [Company Name]. I am excited about the possibility of working under the guidance of your esteemed team and contributing to projects aimed at optimizing marine structures while minimizing ecological impact.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team's efforts in advancing marine engineering with sustainable practices. I am available at your earliest convenience for an interview.

Sincerely,  
[Your Name]
