Dear Hiring Manager,

I am writing to express my interest in the marine engineering internship position at [Company Name], as advertised on [where you found the internship listing]. I am currently pursuing a Bachelor's degree in Marine Engineering at [Your University], where I have gained valuable knowledge and hands-on experience through my relevant coursework.

Throughout my studies, I have completed several courses that I believe have prepared me well for this internship, including:

- Fluid Mechanics
- Thermodynamics
- Marine Hydrodynamics
- Marine Structural Analysis
- Ship Design and Construction

In addition to my coursework, I have also engaged in various projects that sharpened my technical and problem-solving skills, such as [briefly describe a relevant project or experience]. I am particularly drawn to [Company Name] because of [specific reason related to the company or its projects].

I am eager to bring my background in marine engineering and my strong passion for the field to your esteemed team. I am confident that this internship will not only provide me with invaluable experience but also allow me to contribute positively to your projects.

Thank you for considering my application. I look forward to the possibility of discussing my application further.

Sincerely,
Your Name
