Dear [Recipient Name],

I am writing to express my interest in the Marine Engineering Internship position at [Company Name], as advertised on [Where You Found the Internship]. I am currently a [Your Year, e.g., junior] student majoring in Marine Engineering at [Your University], and I am eager to contribute my skills and enthusiasm to your esteemed team.

During my academic career, I have had the opportunity to work on several team projects that have sharpened my ability to collaborate effectively. In my recent project, [Project Name], I worked alongside a diverse group of peers to design a sustainable marine propulsion system. My role involved coordinating tasks and ensuring that each team member's strengths were utilized to their fullest potential. This experience required clear communication, conflict resolution, and a solid commitment to the common goal, which ultimately resulted in a successful presentation at our university's engineering fair.

I am particularly impressed by [Company Name]'s commitment to innovation in marine technologies and your efforts in [Specific Company Initiative or Project]. I am excited about the possibility of being a part of such projects, where I can both contribute and learn from experienced professionals. I am confident that my teamwork skills and dedication to the field will make me a valuable asset to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to [Company Name] and expand my knowledge in marine engineering.

Sincerely,

[Your Name]
