Dear [Hiring Manager's Name],
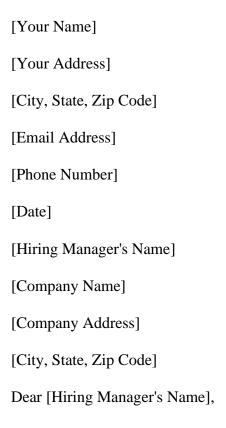

I am writing to express my interest in the Cyber Security Internship at [Company Name] as advertised on [where you found the listing]. With a strong background in information technology and a passion for cybersecurity, I am excited about the opportunity to contribute to your team while aligning with your core values of integrity, innovation, and collaboration.

Your commitment to integrity resonates with my belief that ethical practices are essential in cybersecurity. I have always strived to uphold the highest standards in my work, from ensuring secure programming practices to adhering to data protection regulations.

Moreover, innovation in addressing security challenges aligns with my academic and professional endeavors. I am eager to apply my knowledge of the latest cybersecurity technologies and methodologies learned through my coursework and personal projects to help [Company Name] stay ahead in the constantly evolving digital landscape.

Additionally, I value the emphasis that [Company Name] places on collaboration. I have developed strong teamwork skills through my participation in various group projects and cyber defense competitions, and I look forward to working alongside other talented professionals to foster a culture of security awareness and resilience.

Thank you for considering my application. I am eager to bring my enthusiasm and skills to [Company Name] and contribute to your mission of safeguarding information and innovation.

Sincerely,

[Your Name]
