Dear Hiring Manager,

I am writing to express my interest in the Cyber Security Internship position at [Company Name] as advertised on [where you found the job listing]. I am currently a [Your Year, e.g., junior] student at [Your University] majoring in Cyber Security, and I believe my skills and passion for protecting information systems align well with the requirements of this role.

During my studies, I have gained hands-on experience in various aspects of cyber security, including network security, information assurance, and risk management. I have also completed projects related to penetration testing and vulnerability assessment, which have developed my technical proficiencies in using tools such as Wireshark and Metasploit.

I am particularly drawn to [Company Name] because of [specific reason related to the company or its projects]. I am eager to contribute my skills while also learning from the talented professionals at your organization.

Thank you for considering my application. I am looking forward to the opportunity to discuss my application with you in more detail. I can be reached at [Your Phone Number] or via email at [Your Email Address].

Sincerely,

Your Name
