Dear [Employer's Name],

I am writing to express my interest in the Cyber Security internship position at [Company's Name] as advertised on [where you found the job listing]. With a strong academic background in cyber security and relevant coursework experience, I am eager to contribute to your team while further developing my skills.

Currently, I am pursuing a Bachelor's degree in Information Technology at [Your University], where I have completed coursework in the following areas:

- Network Security
- Ethical Hacking
- Cryptography
- Incident Response and Forensics

These courses have equipped me with practical knowledge and a foundational understanding of key security principles. Additionally, I have gained hands-on experience through projects such as [briefly describe a relevant project or experience].

I am particularly drawn to [Company's Name] because of [mention something specific about the company or its projects/values]. I am excited about the opportunity to assist your team in securing sensitive information and learning from industry professionals.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your team. I am available for an interview at your earliest convenience.

Sincerely,

[Your Name]
