

Dear Residents,

As part of our commitment to ensuring a safe and harmonious living environment, we would like to remind all pet owners of our community pet safety protocols:

1. Leash Requirements

All pets must be kept on a leash when outside your home and in common areas. Please ensure the leash is no longer than six feet.

2. Waste Management

Pet owners are required to clean up after their pets immediately. Dispose of waste in designated pet waste bins provided throughout the community.

3. Vaccinations and Licensing

All pets must be up to date on vaccinations and properly licensed. Proof of vaccinations must be submitted to the management office.

4. Noise Control

Please be mindful of noise levels. Excessive barking or whining can be disruptive to your neighbors.

5. Social Interactions

When socializing with other pets, always supervise their interactions to ensure a safe experience for all.

Thank you for your cooperation in maintaining a safe and enjoyable community for all residents and their pets.

Sincerely,
Community Management
