

Dear Residents,

As part of our commitment to ensuring the safety and well-being of all residents, we are providing important fire safety resource information. Please take a moment to review the following resources:

Fire Safety Tips

- Install smoke detectors in every room.
- Keep fire extinguishers accessible and check them regularly.
- Create and practice a fire escape plan with your family.
- Avoid overloading electrical outlets.

Emergency Contacts

In case of emergency, please contact:

- Fire Department: 911
- Emergency Services: 911
- Non-Emergency Fire Assistance: (555) 123-4567

Training and Resources

For further education on fire safety, consider the following resources:

- [National Fire Protection Association](#)
- [American Red Cross Fire Safety Resources](#)

Thank you for taking the time to prioritize fire safety in our community.

Sincerely,
Your Fire Safety Team
