

Tenant Noise Policy Guidelines

Dear Tenants,

We value the comfort and peaceful living environment for all our residents. To ensure this, we have established the following noise policy guidelines:

1. **Quiet Hours:** Quiet hours are observed from 10 PM to 8 AM daily. During this time, we ask all tenants to keep noise to a minimum.
2. **Common Areas:** Please be respectful in shared spaces by keeping noise levels down, especially during quiet hours.
3. **Musical Instruments:** To maintain a peaceful environment, practicing musical instruments should be limited to designated hours.
4. **Party Noise:** If hosting gatherings, please inform your neighbors in advance and keep noise to a reasonable level.
5. **Pets:** Ensure pets are controlled and do not cause excessive noise, especially during quiet hours.

If you experience noise disturbances, please communicate directly with the involved parties or contact management.

Thank you for your cooperation in creating a harmonious living environment.

Sincerely,
Management
